### **Enterprise Chamber designates additional Supervisory Boardmembers**

#### *Names of investigators also revealed*

Stork reports that the Enterprise Chamber of the Amsterdam Court of Appeals (the "Enterprise Chamber") announced that Messrs. C.J.A. van Lede, W. Kok and D.G. Eustace have been appointed as members of the Supervisory Board of Stork NV. Following this appointment, the Supervisory Board of Stork NV consists of a total of eight persons.

The announcement of the Enterprise Chamber follows the earlier ruling of January 17th 2007, in which the Enterprise Chamber decided that three persons would be assigned as Supervisory Boardmembers of Stork NV.

Additionally, the Enterprise Chamber has designated Messrs. L.P. van den Blink and L. Traas as investigators into the policy and the affairs of Stork, as was decided by the Enterprise Chamber in its ruling of January 17th, 2007.

Stork: *"The Enterprise Chamber has moved swiftly. The Supervisory Board will use the coming period to get the new Supervisory Boardmembers to settle in as well as possible in the enterprise Stork. Of course the today appointed investigators will also receive all necessary cooperation."*
