Press release

Naarden, 23 January 2008

Publication of Stork 2007 annual results one day earlier: 29 January

For practical reasons the results of Stork for the financial year 2007 will be published on Tuesday 29 January, instead of on 30 January as announced earlier. The announcement will be made by means of a press release to be issued before stock exchange trading hours.

No press and analysts' conference will be held on 29 January, and nor are conference calls or webcasts planned.
