

New head of HTH in Denmark

Henrik Karup Jørgensen will take the position of Business Unit Manager of HTH in Denmark during the second quarter of 2008.

He joins the company from fish and seafood producer Royal Greenland, where he worked as Chief Operating Officer responsible for extensive production and supply chain operations on a global basis. He has also previously worked with organisational and managerial development, and as a store manager for supermarkets in Denmark.

Preben Bager will continue to work as acting Business Unit Manager of HTH in parallel with his other duties at Nobia until Henrik Karup Jørgensen begins his employment.

Nobia is the leading kitchen company in Europe with operations in some ten countries. The Group manufactures and sells complete kitchen solutions through many strong local and international brands, including Magnet in the UK, HTH in the Nordic region, Hygena in France and Poggenpohl internationally. Sales are generated through specialised kitchen studios, retailers and direct to corporate customers. Nobia creates profitable and sustainable growth by enhancing efficiency and making acquisitions. Nobia has about 8,000 employees and annual net sales of approximately SEK 16 billion. The Nobia share is listed on the OMX Nordic Exchange in Stockholm under the symbol NOBI. More information is available at www.nobia.com.
