Nobia is the leading kitchen company in Europe with operations in some ten countries. The Group manufactures and sells complete kitchen solutions through many strong local and international brands, including Magnet in the UK, HTH in the Nordic region, Hygena in France and Poggenpohl internationally. Sales are generated through specialised kitchen studios, retailers and direct to corporate customers. Nobia creates profitable and sustainable growth by enhancing efficiency and making acquisitions. Nobia has about 8,000 employees and annual net sales of approximately SEK 16 billion. The Nobia share is listed on the OMX Nordic Exchange Stockholm AB under the shortname NOBI, in the Large Cap segment and the Consumer Discretionary sector. Nobia is included in the OMX Stockholm Benchmark Index. More information is available at www.nobia.com.
