About London Mining Plc

London Mining Plc is incorporated and registered in the UK, and is a UK-based iron ore mining company with assets in Brazil, Sierra Leone, Greenland and Mexico. The company has a diversified portfolio with existing production and significant planned expansion. London Mining's management and board of directors have extensive mining and finance experience. The company has already raised privately approximately USD 125 million in equity and an additional USD 60 million in debt and acquired an operating iron ore mine in Brazil in May 2007.

London Mining is listed at the Oslo Axess list of Oslo Stock Exchange, under the symbol LOND.
